

Uniforms

The Jerdacuttup P&C handles all new uniform orders and holds a small stock of second hand items. Please contact the school Admin office (9839 6034) for your requirements.

The school follows a *No hat – No play* policy which is enforced throughout the year. Hats with full brim are preferred as they offer far superior protection than baseball type caps.

Elders have kindly provided bucket hats for all students which will be issued to students for use at school. Each child has his/her numbered hat for school use only. Staff periodically take the hats home to wash.
